

## ECLC News: PK Classroom

January 19, 2012

Dear Parents,

**Language:** In language the students have reviewed the letters "O" and "P". The students have completed "O" and "P" worksheets and worked on recognizing objects that start with "O" and "P". Next week our new letter of the week will be "Ss". The children were also introduced to the following sight words: "a", "can", "funny", "and".

Next week we will begin a unit that focuses on learning about our senses.

**Math:** In math we will continue to work very hard helping students recognize numbers, write numbers, and completing math and number worksheets.

**Science:** In science the children have been learning about winter and winter animals. Next week we will discuss animals that hibernate and migrate, and bears.

**Social Studies:** Our social studies lessons have been centered on Dr. Martin Luther King, Jr. We've read a story about him and discuss his dream.

Date to Remember:

January 20 Snowflake Dance

Thank you,

Marcia White and Sharon James
