

Third / Fourth Grade Homework Policy

For this school year, we are focusing on inspiring each student to use the life skills of responsibility and organization throughout the year. We will participate in many activities that will foster this independence in each student and appreciate your support in trying to do so. Listed below is our homework policy for the year.

- For the entire week, as long as homework has been turned in, then the student will earn an extra 10 minutes of recess.
- In order to earn this extra time, the student must do the following:
 - Include his/her name and number on the homework
 - All work must be turned in on time (i.e. – first thing in the morning the day it is due)
 - Work must be neat and clear (handwriting must be legible)
- If the student does not earn the extra 10 minutes of recess, s/he will be inside with a teacher during that time.
- Please note – no students are penalized any normal recess time. If the extra time is not earned the student still receives normal recess for the day.

Please sign below indicating that you have seen this and read over it with your student. If you have any questions, feel free to contact your child's teacher.
