

Kindergarten Newsletter

January 19, 2012

Here are some upcoming themes students will be learning about:

- *Solar System
- *100 Days of School
- *Healthy Habits/Food Groups
- *Friendship and Hearts
- *Five Senses
- *Dr. Seuss

In math kindergartners will focus on:

- *Writing, counting, and identifying numbers to 75
- *Addition
- *Subtraction (introduction)
- *Forming numbers correctly

Our Valentine's Day parties will be February 14th from 2:00-3:00. Each child will need to bring a decorated Valentine's box or bag (with the child's name easily visible) on or before the 13th. Please keep the bags and boxes rather small so they are easy to store in the classroom. Also, do not label the valentines. Each child needs to bring 15 Valentines to share with the class. Please do not put names on the envelopes, just have your child sign each card.

Please continue to practice sight words at home with your child. We are noticing a great increase of reading these words in class. Reading at home nightly for 15 minutes is also great practice.

Thank you for your generosity once again for sending in items for our 100th Day Celebration! If you have not sent in your donation, it is due tomorrow! Our celebration is on the 27th, so don't forget that your child is able to wear their decorated shirt for a special jeans day!

Mrs. Ngwira, Mrs. Hile Rea, and Mrs. Stanley
