

After the collaboration of parishioners and Pastors from Christ the King, St. Elizabeth's, St. Thomas More, Visitation and St. Peter's, the SW Pod Taskforce developed a strategic plan to transition to full stewardship over the next several years in order to ensure the sustainability, health and vitality of our schools. The strategic recommendation was delivered in writing to Bishop Finn and his management team on September 3rd. Five representatives (one from each school) had a discussion of the proposal with Bishop Finn and his team on September 9th. The Bishop is committed to our schools. He will consider our recommendation and assimilate the input from the many taskforces engaged over the summer months. When feedback is received from the Diocese, it will be disseminated. The proposal is posted below.

If you have any questions, please feel free to contact the following St. Peter's SW Pod representatives:
