

ECLC News: PK Classroom

August 26, 2010

Dear Parents,

Welcome to Pre-Kindergarten. The beginning of school is an exciting time of the year for kids, parents, and teachers! This is a time of hopes and dreams for a happy and successful school year. These last few weeks the children have been adjusting to being in school, focusing on our classroom rules, and getting acquainted with one another.

Every week a new letter will be introduced. This week our letter is the letter "Ss." We will review numbers, shapes, and colors.

Beginning next week, every Thursday and Friday will be "Show and Tell." Your child may bring one of his/her favorite toys, books, etc., to share on his/her share day.

Best wishes for a wonderful school year!

Ms. Marcia White & Ms. Sharon James
