

**St. Peter's School—Summer 2009
Registration Information & Enrollment Form**

Spaces in courses are reserved for only those students who have turned in registration forms and enrollment fees before the maximum class size is reached. Because we are contractually obligated to pay the instructor for each child enrolled in the class, no refunds will be given for any missed classes or lessons. Fees should accompany the enrollment form; we appreciate receiving full payment upon registration, as it makes bookkeeping much easier; however, if you prefer to pay half the balance upon enrollment and half by the first class, that is fine! If an instructor is unable to hold every session listed due to his/her illness, the class will be rescheduled.

Parents must make arrangements to have their children picked up as soon as the class ends; the doors on the circle drive will be used for dismissal. Children cannot be left unattended on school property, and the enrichment class instructors should not be expected to remain with children more than five minutes beyond the end of class time.

You will be contacted ONLY if a class is cancelled (due to low enrollment), and we will send a refund through your messenger envelope, unless you request the money to be directed elsewhere (such as a lunch account).

Any questions may be directed to Angie Meyer @ 816.523.4899, ext. 215 or ameyer@stpeterskc.org.
