MANY VOLUNTEERS ARE NEEDED!!!

It takes hundreds of helping hands to pull off our school's biggest fundraiser. This is a great way to get involved, and for 8th graders and high school students to get those needed service hours! We still need help in planning, and set-up and tear-down the week of the Auction.

To volunteer, contact Kim Coxe at kim.coxe@att.net or 816-333-9679.
