Coach's Corner

The first quarter blew by but not as fast as the nice weather did. I wish all the sports teams a great finish to fall seasons. Good luck in finishing league play and any city tourney championships that our teams advance to. I know you will do your best to represent St. Peter's and make SPS proud.

Curriculum

K-3 students will be working on volleying skills and juggling. The 4th -8th grade students are working on handball, team handball, and then volleyball. All classes are gearing up for some Halloween games.

Written Tests

Students will be taking a written test right before the Thanksgiving holiday. Those students who receive a grade of 75% or lower will have the opportunity to re-take the test next week. I will call parents of students who do not make up tests and have struggling grades. If you have any questions, please feel free to call or email me at 523-4899 or rcole@stpeterkc.org.
